Project Title:- **Community Energy**

Project overview:-

To harness the natural environment that is about us, in order to generate clean energy

Supporting information:-

This area has a host of natural resources; the clean energy can be generated

Action plan:-

To be developed via ward group, WBWG and council

Considerations

- ✓ **Public engagement is key to any development of any project**
- ✓ **This is a major project that may require community asset transfer**
- ✓ **This will require the involvement of other members of the PSB**
- ✓ **Will it be a community or local authority facility?**
- ✓ **Would a commercial consideration as was the solar farm project.**
