Project Title:- **Upgrade of Gelli Crug park**

Project overview:-

Gelli Crug Park is essentially a play area with what was tennis court now' that has gone a long time ago? It now looks to be a Basket ball area. This area is one of the last reaming play areas within Abertillery. However it needs to be upgraded.

Supporting information:-

It has been reported that the risk of injury is deterring parent for using the park, and are choosing to use other facilities outside the local area

Action plan:-

To be developed via ward group, WBWG and council

Considerations

- ✓ **Public engagement is key to any development of any project**
- ✓ **Would the land be owned by the borough?**
- ✓ **Will it be a community or local authority project?**
- ✓ **What are the current standards for play area and does this meet them?**

How you contribute
