**3. MINUTES – 30 MARCH 2022**

Cllr Graham White asked that the minutes be amended to make clear that the Clerk's failure to publish a notice of the meeting of 30 March 2022 on the Council's website at least three clear days in advance was in breach of the regulations governing community council meetings.

Cllr Peter Adamson asked that the minutes be amended to show that the Chair had asked for the PowerPoint presentation on Carbon Literacy for Local Authorities given at the meeting on 30 March 2022 to be posted on the Council's website.

Council **RESOLVED** to confirm the minutes of 30 March 2022, amended as above, as a correct record.

**4. 2020/2021 ACCOUNTS AND ANNUAL RETURN**

The Report on the Accounts and Annual Return for 2020-21 was presented by the Clerk and Deputy Clerk as joint-Responsible Financial Officers. Cllr Graham White noted that the accounts had not undergone an internal audit and questioned whether they should, therefore, be accepted. The Clerk replied that, as noted in the report on the accounts, Audit Wales had cautioned the Council against appointing an internal auditor in haste in order to 'tick a box'. The Annual Governance Statement would make clear that there had been no internal audit.

Cllr Bernard Wall asked why individual salary payments were not shown in Annex 2 to the accounts. The Deputy Clerk replied that the Annual Return showed the total staff costs to the community council including salaries and wages, Income Tax,

employee and employer National Insurance contributions, pension contributions and other staff costs administered through the Blaenau Gwent Council payroll system for which the community council was invoiced quarterly in a lump sum. The community council does not hold a breakdown of all these components for each individual employee.

Cllrs Wall and White questioned why the Council paid many small cheques to some suppliers when less frequent, lump sum payments would be more efficient. The Clerks replied that the Council made payments on receipt of individual invoices and, while arguably less efficient, this provided complete transparency and traceability.

The Council **RESOLVED** to agree that the accounting statements shown in the Report fairly present the financial position of the Council for the year ending 31 March 2021.

The Council **RESOLVED** to authorise the Chair of the Council to complete and sign the Annual Return on the basis of these accounts.

The Clerk informed Members that authorisation to submit the Annual Governance Statement would be taken to mean that the Council agreed to the answers proposed in the Report on the Accounts and Annual Return for 2020-21.

The Council **RESOLVED** to authorise the Responsible Financial Officer to submit the Annual Return, including the Annual Governance Statement, for the year ended 31 March 2021, and all relevant associated documents, to Audit Wales as required.

## **5. BUDGET-SETTING POLICY**

The Clerk explained that the budget-setting policy aimed to impose a greater degree of oversight on budget-setting and to help guard against late additions or objections to the annual budget being submitted without due scrutiny.

The Council **RESOLVED** to adopt the budget-setting policy.

## **6. COUNCIL GRANT**

Cllr Ben Owen-Jones suggested ways in which Ebbw Fach Community Group could make savings on items for its Queen's Platinum Jubilee event for which it had asked for community council support. It was agreed that his comments would be passed to the group and that, if any such savings were made, they could be retained by the group.

The Council **RESOLVED** to authorise a payment to Ebbw Fach Community Group of £508.74.

## **7. PUBLIC EVENTS**

The Council **RESOLVED** to authorise the Council's officers to apply for, organise and manage Abertillery and Llanhilleth Community Council stalls, exhibits or displays at public events, as necessary, up to the cost of £500 per event.

Mr Ross Leadbetter left the meeting at 8.06 pm.

## **8. RESOLUTION TO EXCLUDE THE PRESS AND PUBLIC**

The Council **RESOLVED** that, by virtue of The Public Bodies (Admission to Meetings) Act 1960, the press and public be excluded from discussions on the following items on the basis that disclosure thereof would be prejudicial to the public interest by reason of the confidential nature of the business to be transacted.

**9. MINUTES – CONFIDENTIAL ANNEX FC5-2022 - 30 MARCH 2022**

The Council **RESOLVED** to confirm Confidential annex FC5-2022 as a correct record of the confidential section of the meeting of 30 March 2022.
