Website Vision Initial Questions - March 18 2025

Question	Answer
Who is the primary audience for the website?	People in our Community.
What are the key objectives of your new website?	Promote our council, share information from and to our Community, meet statutory obligations, share the work we are doing and information about events in the area.
What features must be included on the new website?	Fulfil all statutory obligations, a search function, upcoming events/news, grant information, an enquiry form, links to other organisations (redirection), back to the top button/static navigation bar. Possibly a Chair's Blog.
How would you like meeting minutes, agendas, and reports to be organised and accessed? (e.g. by date or searchable archive)	By date (Investigate possibility of making it searchable by keyword/decisions).
Are there specific keywords or phrases you'd like the website to target to improve search engine rankings?	All ward areas. Cllr Ben Owen-Jones & Deputy Clerk Molly Jones to expand on this.
Do you have existing branding guidelines (colours, logos, fonts)?	Continue with current logo but start looking into ways to improve it (as it is not in an accessible format/high quality file). Ben, Molly & Her Web to decide on fonts/colours.
What type of design best represents the council?	C: Community-focused & engaging (vibrant, welcoming, friendly)
Are there specific elements you want included in the design?	Photos of our area/community/beauty spots.
Do you have any design inspirations or websites you like?	Pontypridd Town Council.
What type of homepage layout do you prefer?	Mix of A and B, some movement (like background photos) but with a static navigation and search bar.
Should the website be designed with a focus on mobile-first users?	B: No, but it should work well on all devices.
Are there any colours, design elements, or imagery that should be avoided?	Not cluttered & no political imagery.
What key information or features should be prominently displayed on the homepage?	News and events, photos, search bar, navigation bar/menu.
What types of events do you plan to host that will require ticket sales?	Ticket Sales: Under consideration. Possibly add this in later?
