What are the aims of your project: To open a community hub for the people of Abertillery and surrounding areas. We are running a charity shop in town to support our project and this is a critical time for our project to reopen the Stute and we are requesting £1000 to cover three months rent on our charity shop to be able to trade over the Christmas period.

.....

How does your project benefit the Abertillery and Llanhilleth area or its residents?

We will provide support for people of all ages, cradle to grave and from all backgrounds and all abilities. We are happy to provide any further information and to come to speak to Council about our project.

What is the name of your project?Providing an outdoor space for the children to enjoy.....

What are the aims of the project?

We will engage with children and young people and increase users of green space for our children, young people and volunteers. We want to make use of our open spaces to make them feel welcoming for use by all sections within our group and to increase the use within the community. We will increase the number of people, of all ages, participating in active recreation/active life styles. We will protect and enhance green spaces wherever possible for biodiversity and landscape. We will ensure that our leaders have the correct knowledge and capabilities to deliver the activities to the children and young people to a safe standard and are working to their best of their ability. We will be able to offer an outdoor space for children and their families to enjoy by holding BBQ's etc.

How will your project benefit the Abertillery and Llanhilleth area or its residents? By utilising our outdoor space the children and young people will be able to participate in activities that will enable them to learn about biodiversity and nature. We will also be utilising our back garden area that will enable us to be able them to experience camping

as for a lot of the children and young people they have not experienced camping before.

What are the aims of your project?

To improve facilities in Six Bells Park by installing electric/motorised shutters for the kiosk

How does your project benefit the Abertillery and Llanhilleth area or its residents?

The kiosk is a vital community asset, benefiting local residents (and visitors to the park). By installing the shutters, our more elderly residents, who often volunteer in the park, would be able to open the shutters more easily thus making the kiosk a more welcoming building.
