Re: Grant Application

Good afternoon

The events in question are extra-curricular activities for our pupils. It does not come under any curriculum delivery. In addition to this, the grant will support community events where we perform at and allow our pupils to work with industry professionals.

Subject: Grant Application

You don't often get email from clerk@abertilleryandllanhilleth-wcc.gov.uk. <u>Learn why this is important</u>

Good afternoon Chelsea,

Cllr Lucy Harmer dropped off your Council Grant Application for performing arts at Abertillery Learning Community yesterday. As a Council, we would not have the power to provide funding for schools – unless it is for extracurricular activities. Please could you confirm whether your application covers anything which is part of the school's curriculum?

Thank you!

Kind Regards

Molly Jones
Deputy Clerk

IMM

Blaenau Gwent Integrated Wellbeing Network, known as IWN sits within the Gwent Public Health Team. The programme is currently government funded through the Regional Integrated Fund (RIF)

Part of the work of the IWN was to establish a community wellbeing hub network in the towns of Brynmawr & Tredegar, made up of community settings with an active footfall of community citizens, these were initially chosen based around the new Health & Wellbeing Centres.

IWN then expanded its reach into Nantyglo & Blaina and are now focusing on the Ebbw fach Valley.

Last year IWN attended a meeting with council members to see how we could replicate the approach in the Lanhilleth & Abertillery Town Council areas.

IWN asked if any members of the council would be interested in supporting the initiative.

Two representatives came forward.

(BG Community Wellbeing Hub Network)

Current settings 16 Tredegar, 2 Ebbw Vale, 12 Brynmawr, 8 Nantyglo, 9 Blaina, 0 Bournville, 5 Abertillery, 1 Cwmtillery, 2 Sixbells, 2 Brynithel, 3 Llanhilleth/Aberbeeg, 1 Swffryd 59 in total

Progress -

A number of initial meetings were held to explain the process & steps.

CIO initially mapped potential settings re contact.

Crib sheet designed for conversation with settings re our offer.
CIO visits, signed up 14 settings to date.

Next steps/ask of Town Council

The CIO has limited capacity to cover all identified areas within the IWN programme.

Re Ebbw Fach Valley...

Ask!

Identified council representatives support CIO with sourcing/mapping of
community settings and
visits to encourage sign up to the BG

Qualitive Responses

Please provide details of how the Contractor will protect the site whilst the works are taking place?

In terms of the initial fortnightly inspection, there is very little need to protect the public – we will however ensure that nobody is in the photographs of the graffiti should there be any ensuring our compliance with permission to photo / GDPR etc...

One internal matter relates to if anyone is carrying out graffiti at the time of photographing or indeed carrying out any other antisocial activity – we will endeavour to get an appropriate photograph of the culprit however ensuring staff safety is a priority in this circumstance.

If additional works are agreed to repair the panels, or mosaic – this would need to be done in a coned off area ensuring public safety.

Simple graffiti can again be washed off using the appropriate chemicals but again precautions will be put in place to ensure people are away from the area being cleaned (size dependent but potentially cones, or a second person directing people away from the works).

3 Please provide details of the costs.

Our quotation to carry out these works includes:

Fortnightly site visit to the underpass to assess the internal walls & end panels Photographs of any graffiti / damage
Assessment of the damage cost for review
And a report & photographs emailed back to the ALCC for review

Our cost to undertake this work would be £55 per visit x 26 visits per year = £1,430 + VAT (total cost £1,716 inc vat)

Qualitive Responses

In responding to this question, Tenderers shall ensure that their answer is category specific. A generic response for each Category is not an

appropriate response.

1 What resources does the Tenderer propose to put in place to deliver the service?

1. Staff & Expertise

- Trained Grounds Maintenance Operatives: Skilled in surface cleaning, vegetation control, and basic wall maintenance.
- Supervisor / Site Manager: Oversees work, ensures health & safety compliance, and liaises with council officers.
- Specialist Contractors (if required): For any repair, repainting, or anti-graffiti treatment beyond routine maintenance.

2. Equipment & Materials

- Cleaning equipment: Pressure washer (low-pressure for delicate surfaces), brushes, eco-friendly cleaning agents.
- Vegetation control tools: Strimmers, shears, and other hand tools for safe vegetation removal around the tunnel entrance.
- Protective equipment: PPE for staff, including gloves, high-vis, safety helmets, and dust masks.
- Maintenance materials: Anti-graffiti coatings, paint touch-up kits, and sealing materials if required.

3. Health & Safety Resources

- Risk Assessments & Method Statements: Specific to tunnel working, confined spaces, and pedestrian/traffic management.
- Traffic management and signage: To protect staff and tunnel users during maintenance activities.
- First aid kit and trained first aider on site at all times.

4. Scheduling & Monitoring

- Maintenance schedule: Regular cleaning, inspections, and repairs to prevent deterioration.
- Reporting system: Documenting work completed, incidents, and any repairs needed.
- Quality control: Supervisor inspections to ensure high standards and compliance with council expectations.

5. Environmental Considerations

- Use of eco-friendly cleaning products and responsible disposal of waste.
- Measures to minimise water use during cleaning.

Abertillery Subway Mosaic 2025 11

2 Please provide details of how the Contractor will protect the site whilst the works are taking place?

1. Health & Safety Barriers

- Temporary barriers and cones at tunnel entrances/exits to clearly mark the working area.
- High-visibility signage warning pedestrians and cyclists of ongoing maintenance.

2. Traffic & Pedestrian Management

- Coordination with local authorities if partial closure or traffic management is required.
- Safe access routes for tunnel users maintained at all times where possible.

3. Staff Safety Measures

- All operatives wear PPE: hi-vis, helmets, gloves, and dust masks.
- Trained staff to work in confined or restricted spaces safely.
- Use of safe ladders or scaffolding if any work requires height access.

4. Protection of the Mural

- Soft cleaning methods (brushes, low-pressure water) to avoid damage.
- Coverings or protective sheets over sensitive areas if any paint touch-ups or chemical applications are needed.
- Only use eco-friendly, non-abrasive cleaning products.

5. Equipment Control

- Machinery and tools kept within the secured work zone.
- All waste and materials removed promptly to prevent slips, trips, or damage.

6. Emergency Preparedness

- First aid kit on site and trained first aider present.
- Clear communication plan in case of accidents or unexpected hazards.

3 | Please provide details of the costs.

Subject: Re: Subway Mural Tender

Hi Steve,

Apologies for not including a cost, I put TBC as the costs associated with protecting the mural during any work undertaken should be minimal. I already have the necessary equipment and resources in place. The only cost I can foresee would be if I were to be completing any work myself as I would require the correct chemicals or materials, for example if I was to be removing graffiti or completing minor restoration. The materials required in this instance will depend on the nature of the work carried out and if additional resource is needed. Should this all be necessary, the cost would be a maximum of £200, please be aware this is subject to the severity of the cleaning or repair.

Hope this answers any questions you have, if you require more details or want to discuss more specific scenarios just give me a shout.

Thanks
